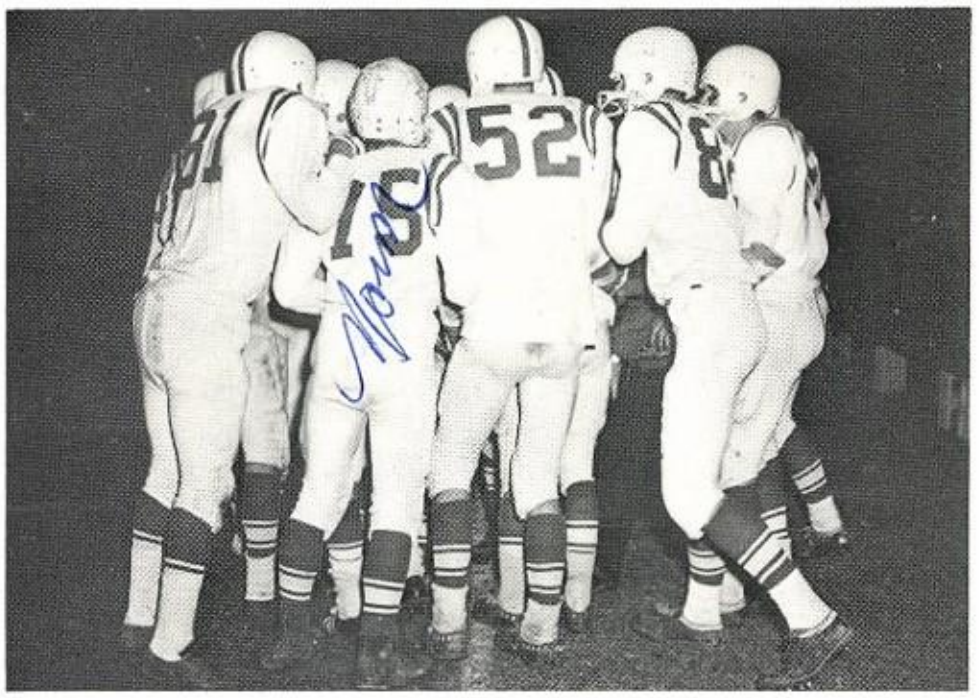
# To every thing there is a season and a time . . .

To every thing there is a season, and a time to every purpose under the heaven: A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted; A time to kill, and a time to heal; a time to break down, and a time to build up; A time to weep, and a time to laugh; a time to mourn, and a time to dance; A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing; A time to get, and a time to lose; a time to keep, and a time to cast away; A time to keep silence, and a time to speak; A time to love, and a time to hate; a time of war, and a time of peace.

Ecclesiastes 3:1-8

A time to laugh



A time to build up

# 1968 Seniors

To everything there is a season and a time; a time to weep, and a time to laugh ... a time to mourn, and a time to dance ... a time to seek, and a time to lose ... a time to keep and a time to cast away. All of these things apply to our graduation, for though we are happy to reach our goal, we are sad that we must leave so many things behind. We would like to laugh and cry, mourn and dance, at the same time. We must now seek for whatever our future is, whether is be sad or happy, exciting or dull, long or short.

# A Time for Closing

The last days of school are days of mingled emotions and total confusion. The last hours are filled with moments of signing Senior Memory Books, returning textbooks, and emptying lockers of past remnants.

As the year ends, the students look back upon the experiences they have struggled through or soared past. The good memories will be recalled again and again, while the bad ones will be pushed to the back of the mind--and eventually erased.

The halls of our school will be empty for a while, but will again be filled with clamorous, noisy students. The Seniors of this past year will be gone, but there will be new Seniors to replace the old. There was a time and a season, but there will be a new time and a new season.

THEY'VE COME AND GONE--AND NOT A BAD CROP SO FAR. WE'VE SEEN A LONG LINE OF GRADUATES ACCEPT THEIR RESPONSIBILITIES, SERVE THEIR COUNTRY, FOUND FAMILIES: AND WE WANT TO EXPRESS OUR ADMIRATION FOR THEM, AND THE GREATEST CONFIDENCE THAT THIS CLASS WILL DO AS WELL.
